

# Run for Trees 2026

## Run • Donate • Plant • Protect

### About the Initiative

Run for Trees 2026 is a community-driven environmental movement that combines fitness, sustainability, and climate action. Every participant and donor contribute towards creating a greener future through tree plantation, environmental awareness, and community engagement.

### Mission

To inspire individuals, families, schools, corporates, runners, walkers, volunteers, and communities to support large-scale tree plantation and environmental conservation initiatives across Bengaluru and Karnataka.

### Tree Donation Program

- Sponsor a Tree - ₹200 Per Tree
- Donors can contribute by sponsoring one or more trees.
- Donation Amount = Number of Trees × ₹200

### Example:

- 1 Tree = ₹200
- 10 Trees = ₹2,000
- 50 Trees = ₹10,000
- 100 Trees = ₹20,000
- Your Contribution Supports
- Procurement of saplings
- Tree plantation drives
- Tree guards and protection measures
- Watering and maintenance support
- Community environmental awareness programs

# Run for Trees 2026

- Monitoring and reporting of plantation activities

## Plantation Locations

- Plantation drives will be conducted at selected public and community spaces including:
  - Primary Plantation Site
  - Sukrishi Farm - The Green Path
  - **Address** Marasarahalli (near Srinivaspura in Nelamangala Taluk, Bengaluru Rural district, Karnataka) is 562123.
  - Sukushi Farm Community Plantation Zone Location:
  - Additional Plantation Locations
  - Police Parade Ground, Sheshadripuram, Bengaluru
  - Additional locations identified under The Green Path environmental initiatives

The organizing committee reserves the right to add, modify, expand, or relocate plantation sites based on permissions, weather conditions, land availability, environmental suitability, and community requirements.

## Plantation Schedule

Plantation activities will be undertaken during suitable plantation seasons and community drives organized by Run for Trees 2026 and The Green Path Foundation.

Updates may be shared through:

- Email communications
- Social media channels
- Event announcements
- Community awareness campaigns
- Care & Maintenance Commitment
- The organizing team will make reasonable efforts to:
- Plant sponsored saplings

# Run for Trees 2026

- Provide initial watering support
- Conduct maintenance activities wherever feasible
- Encourage local community participation

## **Monitor plantation progress**

However, tree survival depends on environmental factors including rainfall, soil conditions, pests, natural calamities, grazing, and other circumstances beyond the control of the organizers.

## **Registration • Refer • Reward • Recognize • Donate**

- Participants are encouraged to:
- Register for Run for Trees 2026
- Refer friends, family, schools, and corporates

## **Donate trees**

- Volunteer for plantation drives
- Promote environmental awareness
- The organization may recognize outstanding donors, volunteers, schools, corporates, ambassadors, and referral champions through certificates, acknowledgements, digital recognition, awards, or community appreciation programs.
- Such recognition remains at the sole discretion of the organizers.

## **Terms & Conditions**

### 1. Voluntary Donation

Tree sponsorship donations are voluntary contributions made towards environmental and plantation activities.

### 2. Utilization of Funds

- Donations may be utilized for:
- Saplings

# Run for Trees 2026

- Plantation activities
- Tree protection measures
- Watering and maintenance
- Volunteer support
- Awareness programs
- Administrative and operational expenses directly related to the initiative

## 3. No Ownership Rights

Donation of a tree does not create ownership rights, naming rights, land rights, harvesting rights, or any commercial rights over the plantation site or planted trees.

## 4. No Guarantee Clause

While every effort will be made to plant and maintain sponsored trees, Run for Trees 2026 and The Green Path Foundation do not guarantee the survival of individual trees or specific plantation outcomes.

Environmental factors beyond organizational control may impact plantation results.

## 5. Recognition Policy

Recognition and acknowledgements may be provided but are not guaranteed and shall not create any legal entitlement.

## 6. Refund Policy

Donations are generally non-refundable except in cases of duplicate transactions or verified payment processing errors.

## 7. Communication Consent

By donating, donors consent to receiving plantation updates, acknowledgements, and environmental impact communications related to the initiative.

## 8. Acceptance

By making a donation, the donor confirms that they have read, understood, and accepted these Terms & Conditions.
